Tabor), Lisa Guinon-Rinker (Ardenwald-Johnson Creek), Michael Molinard, David Hyman

SE Uplift Staff: Bob Kellett

Meeting commenced at 7:05.

Transportation: TSP, BAC, Our Streets

Linda Nettekoven provided an update of the various transportation planning and budgeting efforts. The Transportation System Plan is still being developed and comments can be submitted to tsp@portlandoregon.gov. The PBOT budget advisory committee is just getting started with the budget deadline being February 3. The committee discussed the street fees and the proposed projects that would be done with the new revenues.

Terry Dublinski discussed gaps in the bikeways network. He'll follow up with various neighborhood representatives.

Eastmoreland Racquet Club

Lisa Guinon-Rinker and David Hyman discussed a non-conforming use situation at the Eastmoreland Racquet Club. They sought advice on what could be done to bring the business into compliance.

District Liaison Update

Marty Stockton provided an update about the city's role in the Powell-Division transit project. BPS is looking at key nodes along the alignment to see what, if any, zoning changes could be proposed.

The Comprehensive Plan comment period has been extended to March 13. There will be two mixed use zones workshops on Nov. 5 and Nov. 6.

Neighborhood Updates

Brentwood-Darlington is working to have the "Green Thumb" designed as Open Space in the Comprehensive Plan.

Ardenwald-Johnson Creek is playing an active role in the Davis Graveyard (43rd and Johnson Creek)

Meeting adjourned at 9:00pm
