

SE Uplift Land Use and Transportation Committee
July 21, 2014, 7-9pm
3534 SE Main Street

Present: Ellen Burr (Sellwood-Moreland), Terry Dublinski (North Tabor), Eric Lozano (SE Uplift Board), Linda Nettekoven (HAND), Marty Stockton (BPS), Sean Green (Laurelhurst), Chris McGhie (Laurelhurst), Jeff Mandel (Kerns), Lew Scholl (Montavilla)

SE Uplift Staff: Bob Kellett

Meeting commenced at 7:05.

Comprehensive Plan Update: SE Portland Focus

Marty Stockton from BPS provided a presentation on the Comprehensive Plan and its potential implications for SE Portland. She explained the four components of the draft plan: policy framework, urban design framework, Comp Plan map, and Citywide Systems Plan. The goals and policies direct what is on the map.

The primary components of the map include: centers and corridors, job centers at colleges and medical facilities, risks and service gaps, and neighborhood parks/open spaces.

The first public hearing will be in front of the PSC on Sept. 23. Hearings will continue through November. Marty is happy to provide feedback on testimony/

Neighborhood Updates

Laurelhurst is involved in trying to save the Markham House.

North Tabor organized a deconstruction of a house. Neighbors had opportunity to salvage materials before the house was demolished. It was a success.

SMILE has two big apartment buildings scheduled to be built in the coming months.

Brentwood-Darlington has some streets that are looking to create an LID for streets improvements.

Design on Division will be tabling at the Clinton Street Fair.

Montavilla is participating in an 82nd Avenue planning study by ODOT.

Meeting adjourned at 9:00<http://palmerhousehiltonhotel.com/>.
