WOODSTOCK VISIONING PROJECT

Help design the future of our main street through this collaborative planning charrette. Weigh in on neighborhood growth, scale of buildings, transitions between commercial and residential areas, transportation, community spaces, and more. Since each day presents a refinement of the previous day's work, it's optimal to attend more than one meeting. This charrette is sponsored by the Woodstock Stakeholders, the Woodstock Neighborhood Association, Reed College, the Woodstock Community Business Association and facilitated by the National Charrette Institute.

OCT 23 INITIAL VISIONING SESSION
6:30 - 9:00 p.m.

Share ideas to plan and design the future of our main street.

OCT 25 PUBLIC OPEN HOUSE
4:00 - 6:00 p.m.

Give feedback on the design work in-progress.

OCT 27 CONCLUDING MEETING
6:30 - 9:00 p.m.

Review, discuss & vote on the final proposed plans.

All Saints Episcopal Church
4033 SE Woodstock Boulevard

DROP-IN STUDIO HOURS
10 a.m. - 6 p.m., Oct 24, 25, & 27.

See your ideas in action! Check out the design concepts created by the National Charrette Institute in response to community input.

Want to meet your neighbors? Join us for a family friendly, mildly competitive kickball game!
