

Jade-Midway Community Connections Creative Community Engagement Workshop & Grants

Saturday February 7th 10:00 – 3 pm

Jade District Headquarters

2738 SE 82nd Ave Suite 203B Portland, OR 97266

Enjoy lunch, meet new people & learn about an exciting opportunity

Do you live or work in the area?

Do you make art, sing, dance, sew or write?

Are you a local business, non-profit or cultural group?

Interested in collaborating or sponsoring a series of cultural events?

Come and help transform a vacant store at SE Division and Powell into a place for art, fun, conversation and visioning a better world. We are interested in bringing together the unexpected to showcase the diversity of the neighborhoods along SE Division. If you are intrigued come to the gathering.

Event: There will be snacks, 'art games' and most importantly, information about Grants to support events such as: concerts, poetry readings, culinary explorations, storytelling, exhibitions, craft demonstrations, temporary installations, projections and murals.

Grants: Funds to create these exciting performances and events. The time frame is brief but this is an opportunity to experiment and collaborate with support. We are looking to high light traditional arts of the local communities – Chinese, Pacific Islanders, SE Asian, Vietnamese, Russian, Eastern European and Hispanic and to encourage connections with experienced Portland artists, performers and writers.

Please let us know if you are coming - it would be very helpful. Thanks
