

Advocacy Request

SE UPLIFT USES THE FOLLOWING PROCESS TO IDENTIFY AND ADDRESS ADVOCACY ISSUES:

STEP 1

Complete our Advocacy Request Form and send it to SE Uplift's Executive Director.

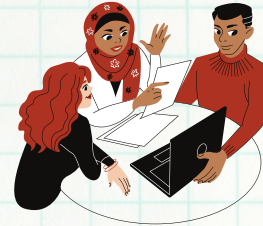

STEP 2

Advocacy requests must be submitted in writing ideally by the 2nd Wednesday of the month, but at least ten (10) days prior to the next SE Uplift board meeting (1st Monday of the month).

STEP 3

All requests will be reviewed by the SE Uplift Executive Committee, with the support of the Executive Director, who will use our advocacy process matrix to determine the next steps.

STEP 4

Neighbors and groups will be invited to give a presentation/speak in front of the appropriate committee/board or they will be directed to other organizations or resources.

STEP 5

A committee/board discussion and/or vote will determine what, if any, actions SE Uplift will take on the issue. SE Uplift reserves the right to not take action.
