Introductions, Announcements

Meeting Best Practices

- 1) **Please mute self when not speaking.**
- 2) **Rename yourself:** add what community group or NA you represent, your pronouns (format: NAME (pronouns), GROUP)
- 3) **Use raise hand feature** if you have a question (*9 for phone users/ available in zoom participant bar).
- 4) **Be respectful:** Use "I" statements, let others finish their thought, understand we all have different values and priorities.
- 5) **Engagement encouraged,** Keep camera on if possible, use the "chat" to share resources or raise your hand to ask clarifying questions during presentation.
- 6) Meeting will be recorded
