Land Use & Transportation Committee

Meeting Agenda

7:00 p.m. Meeting Start

Welcome and introductions. Brief updates.

7:05 p.m. Sewer and Stormwater Service Rates

Lead: Aaron Abrams, Environmental Services Community Outreach Program Manager

Background: The Portland Bureau of Environmental Services sets sewer and stormwater rates based on the cost of providing sewer and stormwater services. These essential services protect public health and the environment. Environmental Services staff are recommending an update to the way rates are charged, considering equity and affordability goals.

There are several specific technical questions that will benefit from your community input.

Purpose: Join us in understanding how the recommended rate changes align with system operation costs. Share your perspective as residents of southeast Portland and have a say in shaping the recommendation presented to city council in 2024.

8:00 p.m. SE Uplift Land Use & Transportation Charter

Lead: Matchu Williams, SE Uplift Staff

Background: SE Uplift updated the structure for committees of the district office to follow. The Land Use & Transportation Committee must now submit a new Charter for review. The [Proposed Draft Land Use & Transportation Committee Charter](#) is an opportunity to make sure the Committee is working fully for all interested district. Committees are Advisory to the SE Uplift Board of Directors unless otherwise specified and each are governed by a charter.

Purpose: Bring the Land Use & Transportation Committee Charter into compliance with SE Uplift policies and vote to advance a Recommended Draft to the Executive Committee for review.

8:30 p.m. Project Updates

Background: There are several active projects underway in the district and new land use representatives in the district. Let's take some time to get to know each other and share what we are working on with our neighbors.

Purpose: Get to know our colleagues, resources, and areas of collaboration, identify topics of interest in the coming year.
