Land Use & Transportation Committee

Meeting Agenda

7:00 p.m. Meeting Start

Ground Rules. Welcome and introductions. Brief updates.

7:15 p.m. Lower SE Rising Area Plan

Lead: Bill Cunningham, Bureau of Planning & Sustainability City Planner

Background: The Lower Southeast Rising Area Plan aims to address the historic lack of infrastructure investment in parts of Southeast and East Portland—including BrentwoodDarlington and portions of Mt Scott-Arleta, Woodstock Lents, and the surrounding area. Community input will guide community development.

Purpose: The Proposed Draft is accepting public comment before heading to the Planning Commission on October 10th. This is the time to provide input and refine the project prior to adoption at City Council.

8:00 p.m. Community Updates

Lead: Matchu Williams, SE Uplift Neighborhood Planning & Liaison Program Manager

Background: The Land Use and Transportation Committee provides a vital forum for sharing information, discussing, and evaluating land use and transportation plans, policies, and other matters that affect neighborhoods in the SE Uplift area.

Purpose: There are new faces on the land use & transportation committee. Take a moment to introduce ourselves, listen to what is happening throughout the district, and where we can support one another.

8:30 p.m. Meeting Concludes
